

ACCIDENT *in REAL LIFE:* Chris and his family

For so many families today, two working parents plus growing kids add up to one busy life. That’s certainly the case for Chris and his family. Between jobs, school, sports and other activities, they’re always on the go. And one accident could put the brakes on their active lifestyle.

Accident Assure is the answer.

Chris’ solution

For Chris, most Saturdays begin and end with practices and games. Through one league, Chris has gotten to know several parents. One father recently showed up at practice in casts and bandages. He’d taken a hard fall and suffered fractures. Fortunately he was recovering well—and he had the assurance of a supplemental accident policy from Washington National Insurance Company. His policy paid cash benefits within days to help with medical bills, lost wages and other costs.

After hearing this story, Chris made the decision to purchase a Washington National accident policy for his own active family.

What would happen if...?

The family spends a lot of time in their vehicle, shuttling back and forth from work to school to activities and back. If they were involved in a car accident and suffered injuries, they’d face medical bills and repair costs on top of their everyday expenses.

To help protect his family, Chris purchased a Level 2 policy. If the unexpected happened, their Accident Assure benefits would add up:

<i>Chris’ injury: fractured leg</i>	Benefits	<i>Son’s injury: broken forearm</i>	Benefits
Fracture (leg)	\$2,000	Fracture (forearm)	\$1,600
Emergency room services	\$500	Emergency room services	\$350
Ambulance (ground)	\$250	Ambulance (ground)	\$250
Hospital confinement (1 day)	\$500	Hospital confinement (1 day)	\$500
Medical appliance (crutches)	\$125	Physician visit (2 visits)	\$100
Physician visit (2 visits)	\$100	Physical therapy (4 visits)	\$200
Physical therapy (2 visits)	\$100		

The family’s total benefits: \$6,575
